

Material Safety Data Sheet

For Emergency Call: CHEMTREC -- (800) 424-9300
24 hour emergency assistance

Section I - Product Identification:

Product Name: BioTreat Plus
Product Code: N/A
Chemical or Common Name: N/A
Date Issued: 10/15/06
Manufacturer: Biocat Solutions Company
P.O. Box 2785
Highlands, NC 28741
phone: 828-526-0001

Section II - Ingredient Information:

Biocat is a water based seaweed/kelp extract and is claimed to be proprietary. Contains fats, oils and grease enzymes.

Section III - Physical Data:

Appearance/Odor: Brown/green liquid/marine odor
pH: 5.5 – 7.5
Boiling Point: 208 F.
Freezing Point: 32 F.
Solubility in water: 100%
Specific Gravity: 1.01
Vapor Density: 1.1

Section IV - Fire and Explosion Hazard Data:

Flash point: Non-flammable
Flammable limits: N/A
Special Fire Fighting Procedures: N/A (Spills may be slippery)
Unusual Fire & Explosive Hazards: N/A

Section V - Health Hazard Information:

Emergency and First Aid Procedures:
Eye Contact: Flush with water as mild surfactant may cause irritation.
Ingestion: None
Skin Contact: None
Inhalation: None

Section VI - Reactivity Data:

Stability: Stable
Conditions to Avoid: None
Materials to avoid (incompatibility): None known
Conditions to avoid: None
Decomposition Products: None known
Hazardous: Will not occur.

Section VII - Spill or Leak Procedures:

Confine to immediate area if possible. Wash surface with water and flush to sewer. Area may be slippery - wash with water.

Section VIII - Special Protection Information:

Respiratory Protection: Not necessary
Ventilation: No special precautions
Protective Gloves: Not required
Eye Protection: Not required but avoid getting too much in the eyes (mild irritant).
Other Protective Measures: None

Section IX - Special Precautions:

Other precautions: None
Handling and Storage: No special precautions

Section X - Additional Information:

For information on appropriate emergency procedures:
N/A
