

Ingredients

BioOne (Liquid)

Please see ingredient disclosure information below for BioOne (liquid), demonstrating its compliance with CA SB-258, a Senate Bill passed by the State of California known as the Cleaning Products Right to Know Act of 2017.

Ingredient	CASRN	Functional Purpose	Appearance on a List of Concern
Water	7732-18-5	Diluent	
Pseudomonas culture	Not Available	Active	
Nitric acid sodium salt	7631-99-4	Stabilizer	
Sodium thiosulfate pentahydrate	10102-17-7	De-Chlorinator	
Ammonium dihydrogen phosphate	7722-76-1	Stabilizer	
Acid Blue 9	3844-45-9	Colorant	

BioOne (Dry)

Please see ingredient disclosure information below for BioOne (dry), demonstrating its compliance with CA SB-258, a Senate Bill passed by the State of California known as the Cleaning Products Right to Know Act of 2017.

Ingredient	CASRN	Functional Purpose	Appearance on a List of Concern
<i>Bacillus</i> cultures	Not Available	Active	
Maltodextrin	9050-36-6	Carrier	
Sodium chloride	7647-14-5	Carrier	
Sodium bicarbonate	144-55-8	Buffer	
Whey protein	92129-90-3	Carrier	
Amylase	9000-90-2	Enzyme/Starch Degradar	(EU Respiratory Sensitizers) C&L Inventory – ECHA (europa.eu)
